CORNS! CORNS! CORNS!

SIR ASTLEY COOPER'S CORN SALVE meets with the most favorable reception wherever its genuine virtues are known. In New-York this salve is regarded by hundreds and hundreds, and even by distinguished Physicians, as the only specific for corns; while in Boston, Lowell and Salem, many of the most respectable citizens have become acquainted with the character of the distinguished Surgeon whose name it bears, and for a moment doubt the efficacy of this salve.

Dear Sir:—Having been afflicted with Corns for a number of years, and having had them extracted some two or three times a by others, and Corn Doctors, all to no purpose, I was persuaded to go to try Sir A. Cooper's Corn Salve, and to my utter astonishment, in one week it effected a perfect cure. Faithfully yrs
O. S. MAYNARD, 49 Washington-street, Boston.

Dear Sir:—These applications of Sir Astley Cooper's Corn Salve has entirely cured one of my Corns and essentially relieved another bad one, and I have no doubt it will also be cured in a very few days. I believe this salve to be what it purports to be, a specific for Corns. (Rev) EDWARD J. STEARNS,
Boston, Sept 26, 1842. Richmond, Va.

A thick-soled Corn Doctor 'cut out' my Corns without pain, but they soon sprouted again, and I made use of Sir Astley Cooper's Corn Salve, which produced in a few days a wonderful effect, my Corns having entirely disappeared.
ESELEY JEWETT, 92 Sudbury-street, Boston.

I most cordially express my good opinion of the efficacy of Sir Astley Cooper's Corn Salve, it having wrought a wonderful cure in my case. My corns had tormented me for many years, but by the skillful action of this salve, in almost an incredible short space of time has completely cured them without pain. DAILY SCIMER, 40 Congress street.

One or two applications will generally cure, and without the least pain. Price 25 cents per box.
Principal Depot for the sale of this Salve in Boston, No. 9 Water-street. In Portsmouth, only at the Drug and Book Store.
